

LED TUBE FIXTURE

Product&Family Code:

061 001 2120

TUBOFIX-120D

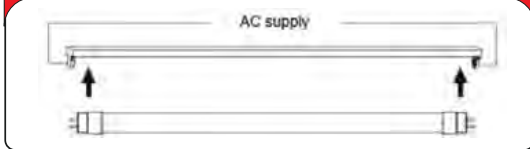

Technical Data

Voltage (V)	250V AC
Product Wattage (W)	2 x Max. 40W
Lamp Type	2 x T8
WEEE Regulation Appropriate	Yes
Ballast Type	-
Materials	Metal + ABS
Protection Class	I
Dimmable	No
IP Rating	20

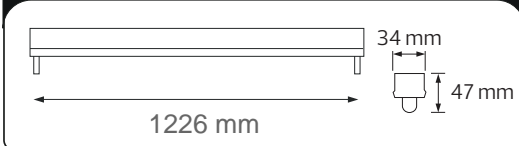

The luminaire is compatible with bulbs of the energy classes:

A to **A++**

Suitable only for double sided LED TUBES

Technical Drawing

Applications

- Designed Indoor applications: Used for home lighting, parking areas, kitchen, study areas

Features

- Easy to mount.
- High heat dissipation, low carbon and environmental protection.
- Luminaries: LED (Tube not included)
